

NORTHCHAPEL PARISH COUNCIL

**APPROVED minutes of a Meeting held at Northchapel Village Hall,
On Monday 5th March 2012**

Present: Councillors Mr Willie Poste, Mrs Jane Walter, Mrs Lynda Bell, Mrs Sharon Holden, Mrs Georgina Murphy, Mrs Angelique Burns, Mrs Jane Squire and Mr Stephen Wordsworth

In attendance: Mrs Helen Cruikshank, Parish Clerk

Comments and Questions from the members of the public:

There were three members of the Public present.

A member of the public spoke of the increasing dog fouling problem in St Michaels Close and throughout the village in general. The Chairman said the Parish Council were aware of this and the CDC Dog Warden had been informed of the problem but the Clerk would contact him again to reiterate the problem and get leaflets distributed.

The member of the public also raised concern with regard to the amount of pavement parking in Luffs Meadow and St Michaels Close. Parking on footpaths and speeding throughout the estate is making the roads dangerous. Clerk to report problem to WSCC Highways.

83. Apologies for absence: Mr Paul Markides
PCSO Jenn Morley and PCSO Ian Luxford

84. Declarations of Interest: There were no declarations of interest.

85. Co-option of Councillor: Mr Stephen Wordsworth introduced himself and he was co-opted as a Councillor. The Chairman welcomed him to the Parish Council. Clerk to liaise with him to sign the relevant forms and documents.

86. Minutes: The minutes from the meeting held on Monday 16th January 2012 were approved as a correct record and signed.

87. PCSO Ian Luxford / Jenn Morley: There was no Police in attendance although the Clerk read the following on behalf of the Police:

The issue of the off-road motorbike is a current local policing priority which was set at the Neighbourhood Management Panel meeting on 09 January 2012, we have been told of the individuals who are responsible however we have not received any reports lately. Sadly we cannot robustly deal with the problem unless the offenders are caught in the act or within a small time frame afterwards, when that happens we shall look to firstly seize the motorbike and secondly if they have ridden on the highway (which includes public footpaths), then potentially the rider shall be reported for driving with no insurance. At present although we are ensuring that patrols are sporadically happening in an attempt to catch the offenders, we still require the local residents to report it when they see on the non-emergency number - 101.

With regards to 26 Valentines Lea, I cannot disclose much information due to the Data Protection Act and the sensitivity around the nature of the incidents, however we are working very closely with Hyde Martlet to try and resolve the issues. I can understand that other residents of the village may be feeling frightened and intimidated from incidents that have occurred and behaviours that have been displayed, I am aware that there are several incidents that have not been reported to police concerning the individuals at this address.

I cannot stress enough how important it is for members of the public to report any problems they have experienced personally or likewise any information they may know that would be of interest to police. It would be greatly appreciated if the Parish Council could inform parishioners to report what they hear, see and experience. Those not wanting to report issues for fear of retaliation then please assure them that all reports are confidential and they do not have to pass their details to the call taker if they wish to remain anonymous. If an incident is happening currently and / or if it is believed that someone may soon be harmed or damage may soon be caused then please dial 999, for anything that does not require immediate attendance please dial 101.

Regarding the collision on the A283 last Monday, officers would like to speak to anyone who has not yet spoken to police who was travelling along the A283 on Monday morning and saw a blue Toyota or blue Audi just north of Petworth. Anyone with information is asked to contact Sussex Police on 101 quoting Operation Kingsland.
